

Remote Learning Plan – Positive COVID test:

Information received from parents that pupil tested positive for COVID.

AR follows up the call after PCR results confirmed (Day one)

AR reports this onto CPOMS and alerts class teacher (Day One)

Class Teacher liaises with home on sending work home/ engaging in remote learning.(Day One)

Class teacher and Teaching assistant takes on the responsibility to coordinate/ monitor and assess education on a daily basis. Work should be in line with the planned curriculum.

Remote learning offered, via google classroom/ work pack sent home. This is documented on the shared drive under COVID REMOTE LEARNING FILE.

If pupil is too ill to work then AR must complete Day 3,7,9 phone calls home. This will be updated on SIMS.

Teachers must have a folder of evidence to track pupil progress. This will be evidenced on COVID HOME LEARNING
