

## Making new friends at Myerscough College

Our year 10 pupils have been visiting local colleges to see what courses and facilities are on offer, also to get an insight into what college life might be like.

## Mural for new library reflection room. Year 8 supported with painting.

## Safeguarding

Just a reminder if you have any safeguarding concerns you can speak to:- Mr Whelan, Mrs Furlong, Miss Riley, Miss Robinson or Mrs Ruddock.

## Newfield's Writer-in-Residence

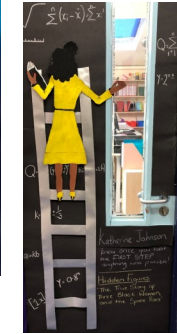

We are thrilled to announce that our Writer-in-Residence is none other than the award-winning author Frank Cottrell Boyce! Frank made his first visit to the school on the 4th July where he had a tour of the school and met staff and pupils. We're so excited to be working with him – and we think he's really looking forward to it too!

During the Q&A Frank was asked some really thought provoking questions,

including 'Are there any stories that you would like to go back and tweak?'

Frank signed autographs for the pupils which are actually like works of art.

The whole school had been fizzing with excitement before Frank's visit. Staff and pupils worked hard to produce some fantastic displays - our classroom doors were book-themed in his honour. We think you'll agree that they're stunning!

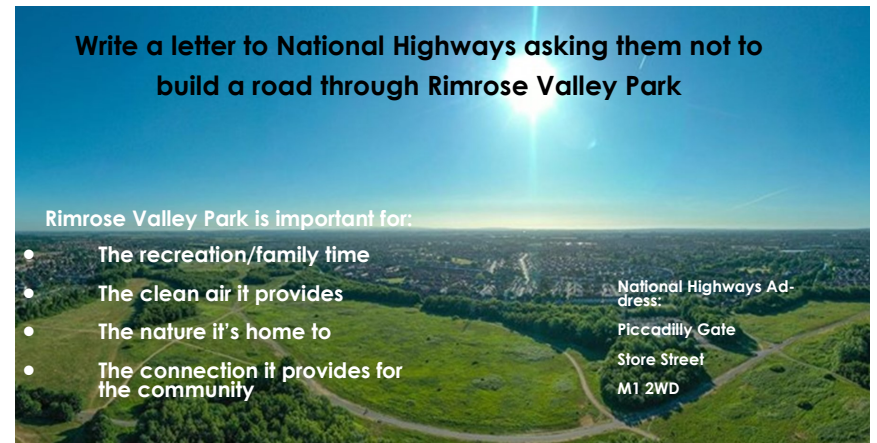

## Campaign to stop a road being built through Rimrose Valley Park - Our pupils are writing letters in support of this, will you join in?

Write a letter to National Highways asking them not to build a road through Rimrose Valley Park

Rimrose Valley Park is important for:

- The recreation/family time
- The clean air it provides
- The nature it's home to
- The connection it provides for the community

National Highways Address:  
Piccadilly Gate  
Store Street  
M1 2WD

# Scientist of the Month!

## Lower School:

**CN Class**—Layla & Jade for their work on friction, excellent team work and discussion when assessing which toy car had the best friction, sequencing them from best to worst.

**AG Class**—Ben Denes for being safe and showing good behavior during practical activities

**CR Class**—Freddie for his effort and participation in classes

## Upper School

**Year 7**—Connor for excellent retrieval of reaction topics we have looked at this term

**Year 8**—Ruby for creating lovely detailed leaflets for unhealthy diets and drugs we have learned about in our health and lifestyle topic

**Year 9**—Michael for trying his best to catch up on missed out and being a pleasure to have in the classroom every lesson

**Year 10**—Tate for excellent recall and knowledge on radiation and independent research for a case study

Message from our  
Acting Headteacher Mr Griffiths

Summer Newsletter 2022

Happy Summer Holidays Everyone  
See you all on Friday 2nd September

I'd like to offer thanks to all staff, pupils and families who have supported Newfield during this very busy term. What a fantastic term it has been with so much work completed, trips out and many highlights for our school community. To name a few: we launched our new website, had 2 winners in Art competitions - one regional and one National, we said goodbye to our year 11 pupils, we welcomed our new arrivals for September for transition days, hosted Mr Cottrell-Boyce our Writer in Residence and began our on-site ADHD clinic. How did we fit it all in?!

It was the great 'Keane' song that uses the lyrics, "Everybody's Changing, and I don't feel the same". There have been lots of changes this Term with the timetable, room moves, curriculum offer and changes in staffing. In September we welcome Mr Whelan back to Headteacher, Mr Griffiths, Miss Bannister and Mr Vipond will be moving to new roles in different schools. Mr Newall will be leaving Newfield to start what we hope will be a very long and happy retirement! Despite all these changes, Newfield continues to be "A great place to learn".

We want all of our pupils and their families to have an amazing summer. Stay safe, be healthy, recharge your batteries and next year strive to attend school everyday learning

## World Reimagined Globe

KS2 and KS3 students were lucky enough to work on this project  
The theme was Understanding Transatlantic slave trade and Liverpool today
